

Dear Potential Sponsor Partner and Friend:

Power Volleyball Academy is a new and growing club program in one of the fastest growing young women's sports in the country. We are in a great position to help gain exposure for your business as well as hand out informational packets or coupons to help generate additional business for you. Participation in the growth of Power Volleyball through financial and/or product sponsorships will provide your company a great opportunity for exposure in Volusia County and throughout Central Florida.

We have multiple levels of sponsorships, each carrying their own forms of recognition. Your sponsorship entitles you to a full season worth of exposure for your company through club activities, plus it also flows through to the high school programs in which many of our athletes compete.

Power Volleyball Academy is recognized by the Internal Revenue Service as a 501(c) 3 tax-exempt entity and as an affiliated organization under the Amateur Athletic Union of the U.S, Inc's group determination. All of your donations are tax-deductible, a tax letter will be provided for your records. All proceeds will help benefit the growth of the club in the community, help in assisting athletes reach their goals through a scholarship fund and help defray some of our athletes' club fees.

If you have any questions about our organization or vision please contact our Director, Maria Hardwick, at 386-785-5174. On the reverse side of this letter is a list of our different levels of sponsorships available. Please make all checks payable to "Power Volleyball Academy".

We are thankful for your generosity, and hope we can build a long partnership with your business that benefits both of our organizations. Thank you for helping our girls fulfill their dreams.

Sincerely,

Maria Hardwick  
PVA Director
